Average cost of a single data breach \$4.24 Million.

The number of unfilled cybersecurity jobs grew by 350%, from 1 Million in 2013 to 3.5 Million in 2021

“There’s just not enough people in cyber security with the skills to handle the new threat landscape.”

- Adi Dar, CEO of Cyberbit, in a Fortune interview

“It was a very motivational class and definitely one I would recommend for someone looking to get into cybersecurity or just looking for more information.”

- ARIANNA, age 18, Certified Cyber Safety & Cybersecurity Program Graduate

“I really enjoyed the class and learned a lot to be safer online. I didn’t know terms such as phishing.”

- KEVIN, age 15, Certified Cyber Safety & Cybersecurity Program Graduate
